Summer 2007

### Origin-Destination Onboard Survey

### Origin-Destination Onboard Survey

### Seattle-Vashon Passenger-Only Weekday Westbound Origins & Destinations (2006)

### 

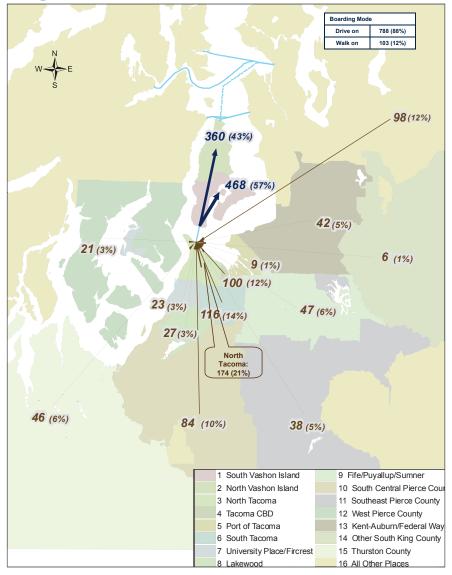

#### **Key findings:**

- South Sound riders have the highest proportion of frequent riders in the system.

  Approximately 37 percent of passengers ride the ferry every day, while 22 percent take the ferry just a few times per week.
- Frequent ferry riders are declining in the South Sound Corridor.
- Significantly more passengers drive onto the ferry or are passengers in vehicles than walkon.
